REPORTS

Friday 12/20 Stephanie Fitzpatrick will be going to the Dutchess County Fairgrounds to check the ring with Kyle, from the NBHA (National Barrel Horse Association), for the ability to hold the barrel shows there and possibly holding the show during the fair.

NY State Horse Council is working to block any transport of horses for slaughter through NY State.

NY State Horse Council elections have been held. Positions are/will be updated on the website.

We are at the beginning stages of planning the SAFE Event. Currently, we are looking into doing the event in the spring.

If anyone knows any seasonal road locations, we would love to hear about it. It would be great to do horse driving and horseback riding on it as an event.

Please let us know if you have any suggestions for how we can best serve you for 2025. All ideas are extremely welcome!

Year-end awards will be handed out in the next few weeks.
